Congratulations Girls!

The Commonwealth Games Squad from England has just returned home after an intense two week camp at Broadbeach. First they battled the powerhouse Australian contingent, unfortunately

they didn't adjust straight away to the quicker pace of the Broadbeach greens and Australia claimed the trophy. Next up England had to face Broadbeach but again they couldn't quite get there. The Mighty Queenslanders had a one day test against the English, after some very high quality matches the maroons prevailed.

Everyone at the club is now gearing up for the Trans Tasman, Multi Nations, Blue diamond Pairs and Australian Open. The club will be buzzing over the next month with some great bowls to be played.

Good luck to our members who will be competing in a number of events over the next month!
